Fire of God
Burn in me
Capture my heart again
Pull me through
Make me clean
I'm reaching for your love

Come carry me now
I'm crying out
For someone I can not see
Come carry me now
I'm crying

How I long to be broken
How I want to be near you
How my heart skips beats when
Your love accepts me as I am

Breathe of God
Breath on me
Hold me in your hands
Take my life
This offering
And use me where I am

Come carry me now
I'm crying out
For someone I can not see
Come carry me now
I'm crying

How I long to be broken
How I want to be near you
How my heart skips beats when
Your love accepts me as I am

How I long to be broken
How I want to be near you
How my heart skips beats when
Your love accepts me as I am

Come burn in me

Come burn in me
Come burn in me
Burn in me
