God, You stand when all has fallen
You embrace the long forgotten
I guess it's just hard to believe
The Grace You've poured out on me
I guess I'm just starting to see
How You're working in me

This is what makes my head spin
You're forever Holy
God of all creation
Pour Your life into me
This is so overwhelming
You're forever Holy
God of my Salvation
Clothe me in Your Glory, yeah

God, You hold when all is breaking
You restore the tired and aching
I guess it's just hard to believe
The Love You've poured out on me
I guess I'm just starting to see
How You're working in me, whoa Lord

This is what makes my head spin
You're forever Holy
God of all creation
Pour Your life into me
This is so overwhelming
You're forever Holy
God of my Salvation
Clothe me in Your Glory

Clothe me in Your Glory
Clothe me in Your Glory

This is what makes my head spin
You're forever Holy
God of all creation
Pour Your life into me
This is so overwhelming
You're forever Holy
God of my Salvation

Clothe me in Your Glory
(2x)
Clothe me in your Glory
