Lord we cry
Meet us here
Change our hearts
Bring us near

And we come to this place God
And offer up our hearts
We're holding to Your promise that
You'll meet us where we are
We come broken in sin
For yet You still call our names
And Your Glory surrounds us
And brings us to our knees

Lord we cry, will you meet us here
Meet us here

Lord we bow
In Your name
Saved by Grace
Cleansed in blood

And we come to this place God
And offer up our hearts
We're holding to Your promise that
You'll meet us where we are
We come broken and sin
For yet You still call our names
And Your Glory surrounds us
And brings us to our knees

Lord we cry, will you meet us here
As we're calling on Your name
Come and meet us here
As we're falling on our knees before You
Reaching out for all Your Love
We're on our knees reaching for You
Father meet us here
Come and meet us here

Spirit meet us
Spirit meet us here
