"Frozen"

Touched by faith
It plays the only way
That it can
And it will
Alone
In a destined display
All the wheels
Would fall off
In the same place.

And I don't mind,
And I don't mind
To look inside your thoughts
And I don't mind,
And I don't mind,
But I can't find my way in.

[Chorus:]
Frozen in time,
And only you and I can
See the warning signs
Through thousands upon
Thousands of honest lines
Dry your eyes.

Far away,
What was deemed to never change.
Found a rift,
Made a void
At its own pace.
In a blindsided ambush fight,
It all fell
At the hands
Of a mind game.

And I don't mind,
And I don't mind
To look inside your thoughts
And I don't mind,
And I don't mind,
But I can't find my way in.

[Chorus]

Black and white's
Not always simple
As it seems,
But I will try
To make it easy
On you.

And I will, and I will,
And I will set you free
And I will, and I will,
And I will set you free
And I will, and I will,
And I will set you free.
