Well I couldn't leave you, if I tried,
Someday I know that we'll all be satisfied,
Don't take the savior if your not gonna try,
No I don't, No I couldn't leave you if I tried,
And take my tears, you bought em,
And take my home, it's knida new,
I'll step away, I've gotta,
So I can let, all of you through,
Well I couldn't leave you, if I tried,
Someday I know that we'll all be satisfied,
Don't take the savior if your not gonna try,
No I don't, know I couldn't leave you if I tried,
Well Jesus save me please, take my life,
No I don't, no I couldn't leave you if I tried
