And you know, you know it's gonna feel good
And you know, you know it's gonna feel good
And you know, you know it's gonna feel good
And you know, you know it's gonna feel good

Anything
Anything
Yeah, you know you got it
I would do anything to have it
Who cares what your friends say
You gotta try
I would do anything to have it

And you know, you know it's gonna feel good
And you know, you know it's gonna feel good
And you know, you know it's gonna feel good
And you know, you know it's gonna feel good

Anything
Anything
Yeah, you know you got it
I would do anything to have it
Who cares what your friends say
You gotta try
I would do anything to have it
