I beg your pardon
Were you talking to me?
How many more times are you gonna tell your sorry
Before you take me up in my misery
I need more than apology

Well, I guess I did
Well, I guess I won't
Well, I guess that I could now
But I guess I won't

Oh, What's goin' on?
Is that the way you wanna be
What's goin' on?
So tell me

I beg your pardon
Were you talking to me?
How many more times are you gonna tell your sorry
Before you take me up in my misery
I need more than an apology

Well, I guess I did
Well, I guess I won't now
Well, I guess that I should
Well, I guess that I won't

Oh, What's goin' on?
Is that the way you wanna be
What's goin' on?
So tell me
