I think I feel a little hurt.
My fists are turning coal to diamonds.
Why no one told me so much work
Would all go into tryin'?
Oh, but those feelings ain't the same.
How some things never change.
Well, nobody's perfect.
And I knew better
Anyway

I thought about it 'til my head hurt.
I thought about it but it only made things worse.
I thought about it 'til my head hurt.
I thought about it but it only made things worse.

So I was wrong.
What could I do?
I knew all along.

Ooh... x3

I'm a fool for you...
