It's like I got a hole in my pocket  
Tryin' to keep you satisfied  
It's like I got to burn a million bridges  
Just to keep you by my side

Don't make waves in the water  
'Less you mess around and you'll drown  
It's not like I could have stopped her  
'Cause a girl can't be tied down

And I'll say it again

It's like I got a hole in my pocket  
Tryin' to keep you satisfied  
It's like I got to burn a million bridges  
Just to keep you by my side

Don't make waves in the water  
'Less you mess around and you'll drown  
It's not like I could have stopped her  
'Cause a girl can't be tied down

And I'll say it again

Don't make waves in the water  
'Less you mess around and you'll drown  
It's not like I could have stopped her  
'Cause a girl can't be tied down
