Warned you, you didn't believe me!
Warned you, you didn't believe me!
Warned you, you didn't believe me!
Warned you, and now your caught
There's some people
That you just can't trust
But some people talk way too much.
Take my advice, and Listen Up!
Don't be a fool like the rest of us.
Now listen UP!

Oooooo on the playground!
Oooooo on the playground!
You learn so much now listen up!
Now gather 'round now
Listen up!
Now gather round now
One, two three, take it from me,
Three, four, so much trouble in store
Four, five, get it right, the first time

Count it with me now!
One, two, three, take it from me,
Three, four, so much trouble in store
Four, five, get it right, the first time
Count it with me now!

Everybody knows someone like that
Who barows money
And wont pay you back
They'll talk about about
At the drop of a hyde
Lie about it to your face,
When there caught

There's some people
That you just can't trust
But some people just talk too much.
Take my advice, and Listen Up!
Don't be a fool like the rest of us.
Now listen UP!

Oooooo on the playground!
Oooooo on the playground!
You learn so much now listen up!
Now gather 'round
Now listen up!
Now gather round now
One, two, three, take it from me,
Three, four, so much trouble in store
Four, five, get it right, the first time

Count it with me now!
One, two, three, take it from me,
Three, four, so much trouble in store
Four, five, get it right, the first time

Count it with me now!
