Calling other sounds  
You out there on the seas  
Today is dull and mild  
On a stroppy little island  
Of mixed up people

Did you hear the story?  
Of violent behaviour  
The episodes get sent around  
Everyone

Give us sordid details  
Tie them to the main sail  
The drum and gun  
Of estatedom  
Very near

Living in magazines  
Not looking for a reason  
Why people stand on their own  
In the night on the scrubs

Calling other sounds  
You out there on the seas

Today is dull and mild  
On a stroppy little island  
Of mixed up people

Some of us find  
To give it all your all  
Rises up the land  
And nothing going to hold you down

Not going to be a victim  
Not going to be a victim  
Not going to be a victim

Oh it's alright  
Everything jolly  
Running up the hill  
On a stroppy little island of mixed up people

Some of us find  
To give it all your all  
Rises up the land  
And nothing going to hold you down
