Condition red

Don't you come over tonight
'Cause mommy & daddy don't approve
Of you & me getting too tight

"Why doesn't he get a haircut?"
"Why doesn't he shave?"
"You know he used to be such a nice looking fellow
Before he grew that awful beard"

That's what my mama & daddy keep saying to me
And every time they down you boy
I'll try to make them see
That, though your hair is long
And your mustache's in the sky
For me, you're the right guy

Condition red
Baby please stay away
'Cause I don't know
What mommy & daddy might say

It's gonna be hard for us
To keep on lovin' this way
But I got to keep seeing you boy
No matter what they say

No matter how they down you boy
And say you're not my kind
I'm gonna love you honey
Till the end of time

"I guess we'll have to meet down at the corner from
now on"
"That look in your eyes"
{sound fx of motorcycle starting}
"Where are you going?"
"Can I go with you?"
"Hey take me with you"
"Don't go away mad"
"Darlin' just come back"
"Don't you see that, I just don't care what they say!"

"Take me with you"
"Honey" (Yes my love for you...) "I need you" (... is so strong)
(And I love you...) 'Hey there's a car' (... so much)
"Watch out for the car! "
{sound fx of car skid & crash} "Oh no! "
{sound fx of police siren}
"Don't leave me"

Condition red
I'll never see you again
