It's pony time, get up  
(Boogity boogity boogity shoo)

Hey now, everybody  
(Boogity boogity boogity shoo)  
In the union hall  
(Boogity boogity boogity shoo)

It's pony time  
(Boogity boogity boogity shoo)  
When you hear this call  
(Boogity boogity boogity shoo)

So get with it  
Don't quit it, get up  
(Boogity boogity boogity shoo)

Do the pony with your partner  
(Boogity boogity boogity shoo)  
Or in a big boss line  
(Boogity boogity boogity shoo)

But any way you do it  
(Boogity boogity boogity shoo)  
You're gonna look real fine  
(Boogity boogity boogity shoo)

Get with it  
Don't quit it, get up  
(Boogity boogity boogity shoo)

You turn to the left  
When I say gee  
You turn to your right  
When I say haw

Now gee  
Yeah, yeah, little baby  
Now haw, yeah, baby

Oh, baby (ooh wee)  
Oh, baby (ooh wee)

Oh, baby (ooh wee)  
Oh, baby (ooh wee)  
Oh, baby (ooh wee)  
Oh, baby (ooh wee)  
(Boogity boogity boogity shoo)

Gonna go little Suzie  
(Boogity boogity boogity shoo)  
She lives next door  
(Boogity boogity boogity shoo)

She's doing the pony  
(Boogity boogity boogity shoo)  
She's taking the floor  
(Boogity boogity boogity shoo)

Whoa, get with it  
Don't quit it, get up  
(Boogity boogity boogity shoo)

(Boogity boogity boogity shoo)

Gonna go little Suzie  
(Boogity boogity boogity shoo)  
She lives next door  
(Boogity boogity boogity shoo)

She's doing the pony  
(Boogity boogity boogity shoo)  
She's taking the floor  
(Boogity boogity boogity shoo)

Whoa, get with it, woo  
Don't quit it, get up  
(Boogity boogity boogity shoo)
