Everybody knows the things she does to please
Low cut sweaters with her skirt above her knees
She's a dimestore diamond

Everybody knows just where she gets her clothes
A water coloured painting in a renoir pose
She's a dimestore diamond

Everybody knows but no one can tell
A homemade haircut but she wears it well
She's a dimestore diamond

You can call her broke, you can call her poor
But everybody knows that she ain't cold no more
She's a dimestore diamond

Shines like the real thing
Real thing
Real thing
Dimestore diamond

Dimestore diamond

Gotta catch you one
Gotta catch you one one
Gotta catch you one

Gonna get you one
Gonna get you one one
Gonna get you one

Everybody knows the things she does to please
Low cut sweaters with her skirt above her knees
She's a dimestore diamond

Dimestore diamond

Shines like the real thing
Real thing
Real thing
Dimestore...

Shines like the real thing
Real thing
Real thing
Dimestore diamond

Dimestore diamond
Dimestore diamond
