It's like I got a hole in my pocket
Tryin' to keep you satisfied
It's like I got to burn a million bridges
Just to keep you by my side

Don't make waves in the water
'Less you mess around and you'll drown
It's not like I could have stopped her
'Cause a girl can't be tied down

And I'll say it again

It's like I got a hole in my pocket
Tryin' to keep you satisfied
It's like I got to burn a million bridges
Just to keep you by my side

Don't make waves in the water
'Less you mess around and you'll drown
It's not like I could have stopped her
'Cause a girl can't be tied down

And I'll say it again

Don't make waves in the water
'Less you mess around and you'll drown
It's not like I could have stopped her
'Cause a girl can't be tied down
