[Verse]

You want me to be honest  
â€"Tell you all the words you want to hear  
â€"So I went and made a promise  
â€"And I quickly became your worst fear out here

â€"[Chorus]

â€"In the wild, to the wild  
â€"We'll self-destruct together  
â€"I'm part of you now  
â€"In the wild, to the wild  
â€"We'll self-destruct together  
â€"It's all over now  
â€"

[Verse]

â€"Few fail to break the silence  
â€"Most prefer the calm before the storm  
â€"You choose cities over islands  
â€"I'm returning to the place where I was born at home  
â€"

â€"[Chorus]

â€"In the wild, to the wild  
â€"We'll self-destruct together  
â€"I'm part of you now  
â€"In the wild, to the wild  
â€"We'll self-destruct together  
â€"It's all over now  
â€"

[Bridge]

â€"Oooh, oooh  
â€"Don't wanna risk it  
â€"Taking it too...  
â€"I existed for you  
Don't wanna risk it  
â€"Taking it too...  
â€"I existed for you  
â€"

â€"[Chorus]

â€"In the wild, to the wild  
â€"We'll self-destruct together  
â€"I'm part of you now

â€™In the wild, to the wild  
â€™We'll self-destruct together  
â€™It's all over now
