The debutante so docile,
Your inner ear listens, is it in sync?
Is it smitten?
Date then shelf.
The lesson in itself
Sound refracts all

And are you lost,
Are you immobile?
Sweet clean admission,
Make it discreet,
But within reason.
Shake hands with doubt.
Take down as tends to stick out.
The lesson we pronounce:
Your kind attracts all!

Big shoes to fill, or one size fits all.
We've sewn the seams - made the incision.
Big shoes to fill, or one size fits all.
We've sewn the seams,
We've made the incision,
Make a decision.
