Simple Simon supplement  
On you I'd rely  
What is what, I've done my best  
Clown can retire  
To pencil thin line  
Make up off, it's for the best  
Rewind, undo, start a fresh  
More or less

Take the time when you look 'round  
Do you lust what you see?  
It's best reduced stock marked down  
Comes at guarantee  
To be used, to be kicked 'round  
Remove all empathy  
Any sound from the mute mouth  
Voids all warranty!!

Enemy speaks to you  
On a bicycle built for two  
Any reasonable sum  
Charge to  
As collateral flesh  
Will do

Enemy speaks through you  
Take a look at yourself  
Review  
Such impeccable taste  
Debut  
You're made to deplete  
Reuse

Gotta get all my shit down  
Human Monopoly - is used  
To be used to be kicked 'round  
Out of my way - please move

Livin' off!!
