The test is comprehension.  
The prize will be a motivated mind.  
Re-glue, little miss pretension.  
Build a platform safe.  
The vixen, she had potential.  
Surprised to be a weapon in the public eye.  
Been through itemised inspection to fall short.  
Regroup.

Platforms break.  
Is lover safe?  
You will fade day by day.  
Platforms break.  
The needy take and assimilate hierarchy.

The witness in protection has time to see the method of  
his crime. And who satisfied that tension?  
Cause I can feel you, see you.

Motivated mind: easy to define, so easy to decline.
