Your lack of self-respect
Always leaves you wanting more
I see you - selling yourself
-Way too short
Trust me i've been there before

Leave it all behind
Leave it all behind
Feed them all your pride
Leave it all behind

Promised myself i'd never hurt you
I promised myslef i'd care

Purit is all illusion
And I promised myslef i'd try
Now i'm bored with lies
And turning away - leave it all behind

Feed them all your pride
Leave it all behind
Leave it all behind

I wish that I could love
That I could hate sometimes
Maybe you could have saved me
Saved me from going blind

Feed them all your pride
Leave it all behind
Leave it all behind
