

The Great Deceiver "Pierced"

With your insect eyes
You're blind to the world
A void inside
Pierced to the absurd
Drain me bastards
Uphold the lie
Suffocating in silence
I swallow my pride

We're feeding the black hole
3RD from the sun
A spawn of this system
With a wish and a gun
Drain me bastards
Feed me with lies
Suffocating in silence
I swallow my pride

Pierced to the absurd

Drain me bastards
Uphold the lie
You can feel the system
As it cuts like a knife
Self-righteous bastards
All dead inside
From the depths of my soul
I feel the demons rise

Materialism
The earth it bleeds
Torn apart by nausea
And the demons of greed
Drain me bastards
Uphold the lie
Suffocating in silence
I swallow my pride

I've got to escape this tomb
3RD from the sun
This world of fakes
My life it has ceased

But my pain it lives on
As I rise from the dead
Pierced to the absurd
