It was a Saturday night without a whole lot shakin'  
Ooh my ooh my I was bored.  
I had my best duds on it was a chance worth takin'  
Somehow I was still ignored.

Been too long since I been shy and lonely  
Ooh, but that's okay  
Need some gal to be my one and only,  
Ooh

I got a wink and a smile from a flashy filly,  
Ooh my ooh my she looked grand.  
She said "I like your style now don't go actin' silly"  
Ooh my ooh she held my hand.

Never thought that I could shake and grove it  
Now I'm a Dancin' Fool  
Dug my feet 'cause they could really move it  
Ooh

She got the message across and me and her got  
kissin'  
Ooh my ooh my havin' fun  
I know that this is the thing that I been really missin'  
One more dance has just begun

No more time for feelin' shy and lonely  
Now I'm a Dancin' Fool.  
Found some gal to be my one and only  
Ooh I'm a Dancin' Fool.

Been too long since I been shy and lonely  
Now I'm a Dancin' Fool (I'm a dancin' fool I'm a dancer)  
Etc
