MY OWN WAY TO ROCK
WRITER BURTON CUMMINGS

Revin' up my engine like a 747 baby Shiny lanky long
and lean What a scene I'm gonna take my silver dollar
Change it into quarters Shove 'em in the record
machine Baby said she loved me Then she went and
left me Causin such an awful scene What a scene I'm
gonna take my silver dollar Change it into quarters
Shove 'em in the record machine 'Cause I got my own
way to rock I got my own way to roll And when you're
walkin that walk It's good for your soul 'Cause I got my
own way to rock I got my own way to roll And when
you're walkin that walk It's good for your soul Bee bop a
lula babe Wake up little Susie Yes it's me and I'm in
love again Come on lover, got a hole lotta shakin I like
it like that yea
