(B. Cummings - D. Troiano)

Well now they started Skinny Minnie and it turned to
Ginny Ginny
With the Dizzy Miss Lizzy Blues,
She smiled while we were strollin' and I knew that I was
rollin'
Had to tell my big buddy the news.

It's not the magic
It's not the music
It's not the moonlight
I don't know when I felt like this before,
About ten years time ago...
When the band was singin' "Shakin' all Over."

Well now they gave us Juicy Lucy and we did the Watusi
In a rockin' pair of blue suede shoes,
What she don't know won't hurt her even though I might
desert her
Got to tell my best buddy the news.

It's not the magic
It's not the music
It's not the moonlight
I don't know
I think I've only felt like this one time before,
About ten long years ago...
When the band was singin' "Shakin' All Over."
