American hunter, bring 'em up the north side  
Guns, guns, guns  
Run, take the money, here's a bullet for your boyfriend  
Guns, guns, guns  
Eagle all gone, and no more caribou  
Guns, guns, guns  
You be the red king, I'll be the yellow pawn

God speed Mother Nature  
Never really wanted to say good-bye  
God speed Mother Nature, you know that I'm callin' you  
now  
Never really wanted to say good-bye  
God speed Mother Nature  
Never really wanted to say good-bye  
God speed Mother Nature  
Never really wanted to say good-bye

Shoot a few, knock 'em down, cost you half a buck now  
Guns, guns, guns  
Babe give you kisses if you hit a rubber duck now  
Guns, guns, guns  
You be the red king, I'll be the yellow pawn  
Guns, guns, guns  
Eagle all gone, and no more caribou  
Guns, guns, guns  
Eagle all gone, and no more caribou  
Guns, guns, guns  
No more  
Eagle all gone, and no more caribou

God speed Mother Nature  
Never really wanted to say good-bye  
God speed Mother Nature, I'm weepin', I'm cryin' for ya  
Never really wanted to say good-bye  
God speed Mother Nature, ya know that I'm weepin' for  
ya  
Never really wanted to say good-bye  
God speed Mother Nature, and I'm cryin' out  
Never really wanted to say good-bye  
I know you're goin' and I'm weepin' Nature, weepin'  
Mother Nature

Never really wanted to say good-bye, and I'm weepin'  
for ya  
Weepin' for ya Mother Nature, and I'm cryin' for ya  
Never really wanted to say good-bye  
Take care of me lovin' Mother, Mother Nature, and I'm  
missin' ya  
Never really wanted to say good-bye  
Where've you gone?  
God speed Mother Nature, and I'm weepin' for ya
