LIGHT MY FIRE

WRITERS JIM MORRISON, JOHN DENSMORE, ROBBIE  
KRIEGER, RAY MANZAREK

You know that it would be untrue. You know that I would be a liar if I was to say to you , ay, Girl we couldn't get much higher. Come on baby light my fire, come on baby light my fire. Try to set the night on fire. Mm-m, The time for hesitation's through. There's no time to wallow in the mire Darling we could only lose and our love become a funeral pyre. Come on baby light my fire, come on baby light my fire. Try to set the night on fire. Well, you know that it would be untrue and you know that I would be a liar if I was to go and tell you Mama we couldn't get much higher. Yeah, come on baby light my fire. Come on baby light my fire yeah Try to set the night on fire, ay hey-hey Come on baby light, light my fire yeah Come on babe light my fire, don't you know it's alright? Light my fire, light my fire, light my fire Oh, light my fire, light my fire, light my fire, yeah girl Girl you better light my fire yeah, You better light, you better light, you better light my fire and we are going to get much higher Oh-oh, come on girl, You know I love you girl, you know I need you babe Come on, Light, light, light, light my fire Light my fire, light my fire Light my fire, light my fire, light my fire Light, light, light, light my my, my, my fire Light, light, light, light, light my fire girl you better light my fire...
