MY OWN WAY TO ROCK  
WRITER BURTON CUMMINGS

Revin' up my engine like a 747 baby Shiny lanky long  
and lean What a scene I'm gonna take my silver dollar  
Change it into quarters Shove 'em in the record  
machine Baby said she loved me Then she went and  
left me Causin such an awful scene What a scene I'm  
gonna take my silver dollar Change it into quarters  
Shove 'em in the record machine 'Cause I got my own  
way to rock I got my own way to roll And when you're  
walkin that walk It's good for your soul 'Cause I got my  
own way to rock I got my own way to roll And when  
you're walkin that walk It's good for your soul Bee bop a  
lula babe Wake up little Susie Yes it's me and I'm in  
love again Come on lover, got a hole lotta shakin I like  
it like that yea
