

The Guess Who "One Divided"

Visit "[One Divided](#)" on MotoLyrics.com

One divided in two directions
Situation needs reflection yeah
Close your eyes
You followed everyone's instructions
Never once you asked the question why
You closed your eyes
My help is here if you want it
Hold me close because I want you yeah
Hold me close
Situation needs reflection
Try to follow my instructions yeah
Don't be shy
One divided there's one direction
Only thing is introspection
Yeah close your eyes
You followed everyone's instructions
Never once you asked the question why
You closed your eyes
