Well now they started Skinny Minnie and it turned to
Ginny Ginny

With the Dizzy Miss Lizzy Blues,

She smiled while we were strollin' and I knew that I was
rollin'

Had to tell my big buddy the news.

It's not the magic

It's not the music

It's not the moonlight

I don't know when I felt like this before,

About ten years time ago...

When the band was singin' "Shakin' all Over."

Well now they gave us Juicy Lucy and we did the Watusi

In a rockin' pair of blue suede shoes,

What she don't know won't hurt her even though I might
desert her

Got to tell my best buddy the news.

It's not the magic

It's not the music

It's not the moonlight

I don't know

I think I've only felt like this one time before,

About ten long years ago...

When the band was singin' "Shakin' All Over."
