If you din't look  
You won't know  
That outside it's not 4 AM  
Those trucks won't be there  
Around, around again

But, it is alright  
It was just a night  
And another way to turn your back  
Your back on me,

Hearts, with love like water  
Hearts, with love that goes  
If you're gonna turn  
Turn back on me

Eyes that sigh  
In my sleep  
Naked and black on the floor  
You should cooperate  
When I need love some more,

But, it is alright  
Ever since the night  
And another way to turn your back  
Your back on me,

Hearts, with lonely sounds like  
Hearts, with love that beats me so  
If you're gonna go  
Don't look at me

Hearts, like lovely burning  
Fields, love that goes  
If you're gonna go  
Don't look at me

Hearts, with love like burning  
Hearts, with love that goes  
If you're gonna go  
Don't look at me

Hearts, like lovely burning  
Hearts, with love that beats me so  
If you're gonna go  
Go back! back! back! back! on me

Hearts, like lovely burning  
Hearts, with love that goes  
If you're gonna turn  
Turn back! back! back! back! on me
