Kamata City shining  
Smokestack city lightning  
You're frightened  
Now, we must embrace

Like I kissed your beating heart  
And kiss beneath your hat  
And take you, on your mat  
Oh, silver night

Kamata Hollywood City shining  
My wife's best friend, you changed your mind  
It's just like Disneyland in the night,

You shook me,  
Our lives will never be the same

Didn't do well with mother  
After seven whiskeys  
Got frisky  
Tried to get her to dance

Almost missed my mark  
The dogs began to bark  
So, I dragged you in the park  
Once again

Kamata Hollywood City shining  
My wife's best friend, you changed your mind  
It's just like Disneyland after Dark

You shook me,  
Our lives will never be the same

Happy shoppers stare at me  
Drunk along the street  
Boots upon my feet  
"Oh, where's he from?"

Now, I'm lost in the city  
This could be the end

Better phone up my wife's best friend  
And here you come,

Kamata Hollywood City shining  
My wife's best friend, you changed your mind  
It's just like Disneyland every night,

You shook me,  
Our lives will never be the same
