He took a Smith & Wesson down to the corner
And then he took a ride
He got out somewhere in Los Feliz
In the evening time
He rang her bell and pushed her through the door
And onto the bed
He took time to talk to her
Copulating, a gun to her head

And it was hot,

Oh, he rides,
He rides between the Straits of Love and Hate
The Straits of Love and Love
The Straits of Love abused
Tonight

Come around midnight
They are laughing and playing games
One bullet in the chamber
And spinning 'round in circles to it's aim
But, nothing ever happens
So, they get drunk all the weekend
One hungover dirty Sunday morning
They fight
And then it starts again

And he's gone,

Oh, he rides,
He rides between the Straits of Love and Hate
The Straits of Love and Love
The Straits of Love abused
Tonight

He was working at the docks, when he found out
She took another man
He left his job and caught a ride
And decided to take a stand
He put his iron between her legs
And told her to love him again

She threw her arms around him
And then it started all over again

And it was fine.

Oh, he rides,
He rides between the Straits of Love and Hate
The Straits of Love and Love
The Straits of Love abused
Tonight

(repeat chorus)
