What I see is not what I see
I miss the point of everything
I call my friends nobody's free
It's a day against the way I want to be
And you make it worse
'Cause I wanted to be with you last night
Can somebody tell me where is she
Nothing's gonna change a day like this

CHORUS

Sunday morning
I'm so lonely...oh yeah
Sunday morning
I'm so lonely...oh yeah

TV is loud and it makes me sick
I can not even try to sleep
Today is going to be that way
I just don't want this every single day
And you make it worse
'cause I wanted to be with you last night
Can someone tell me if she can be
The reason why I will be always free

CHORUS x2

Sunday morning
I'm so lonely...oh yeah
Sunday morning
I'm so lonely...oh yeah
