Can I hold you now?
Wow, what can I say?
You light up my nights,
And lift up my days,
I can't control it,
I can't know it,
Oh but I know,
I felt something in my soul,
You held me in your arms,
I went somewhere far away,
Protected from all harm,
Can't this feeling stay,

~Oh, Oh, You are the song, Oh, Oh, There's nothing
wrong, Oh, Oh, I looked for something more, But
tonight, Tonight, Tonight, You're all I need, Tonight,
Tonight, You're here anyway~

I didn't see anyone else in the room,
It was just me and you,
I didn't wish, I didn't talk,
I couldn't speak, I couldn't walk,
You're the peace I need,
You've got a piece of me,
You held me in your arms,
I went somewhere far away,
Protected from all harm,
But today's just another day,

(chorus)

I didn't wish, I didn't talk,
I couldn't speak, I couldn't walk,
I didn't want, I didn't pray,
Stay, Stay, Stay,
You've got to stay, stay, stay,
Can I hold you now?
Wow, what can I say?
It's all I've dreamed,
You're all I've ever dreamed,
Stay,

Please stay,
