Yes I saw you today.
When things go I don't know.
It's all in what you're telling.
I see where it went it's too hard to be there again.
But it's close it's rubbing off.
At the Grand is where swear I left you, all alone.
At the Grand is where I swear I saw your face.
See it's hurting me and I when I can see it hurts you too.
It hurts so bad.
But maybe not?
When things go I don't know.
It's all in what you're telling.
There's danger it's special it's like I'm waiting for a
sign.
And I'm close I'm on the edge
