Bought a new one yesterday.
It never suited me anyway
But I'm not the only one
Who looks bad in Louis Vuitton
Something burns me out
My only hope is by the sea
I'm feeling uptight, nothing on the inside
Soaking up the sunlight
Trying to make it alright
At home I keep a bar
It means I never have to travel far
To be near the only thing
That's worth the pain it brings
Something burns me out
My only hope is by the sea
I'm feeling uptight, nothing on the inside
Soaking up the sunlight
Trying to make it alright
Can't believe it's so hot
I could buy a sports car
Take it to the Hamptons

And drive into the water
