Wait, wait so long for the pages to align that I'll
wait, wait so long, it'll never be in time.
Oh the odd, odd, odds aren't looking too good for me.
Looks like a long love affair with mediocrity.

And I'm tired of being three steps ahead.
And I'm tired of living my life in your stead.
And it's so hard to find someone who believes. Does
nothing come easy?

Fall, fall so short of potential you once held.
Still, there's something familiar when you introduce
yourself. And you've walked so,
so far down the middle of the road.
Such a nice, dumb medium, too tame to even scold.

And I'm tired of being three steps ahead.
And I'm tired of living my life in your stead.
And it's so hard to find someone who believes. Does
nothing come easy?

Wait, wait so long for the pages to align that I'll
wait, wait so long, it'll never be in time.
Oh the odd, odd, odds aren't looking too good for me.
Looks like a long love affair with mediocrity.

And I'm tired of being three steps ahead.
And I'm tired of living my life in your stead.
And it's so hard to find someone who believes. Does
nothing come easy?
