Wont you go away little girl
Wish you wouldn't stay little girl
Wont you go away little girl ooh go away
Go away little girl go away little girl
I'm not supposed to be alone with you
Oh yes I know that your lips are sweet
But our lips must never meet
I belong to someone else and I must be true
Please go away little girl go away little girl
Go away little girl go away little girl
It's hurting me more each minute that you delay
When you are near me like this
You're much too hard to resist
So go away little girl before I beg you to stay
Wont you go away little girl wish you wouldn't stay little
girl
Go away go away little girl go away
Go away little girl go away little girl
Go away little girl go away little girl
It's hurting me more each minute that we delay
When you are near me like this
You're much too hard to resist
So go away little girl go away little girl
Call it a day little girl
Please go away little girl before I beg you to stay
