Goodnight my love  
Bless your heart and sleep tight my love.  
Goodnight.

Never thought that I'd  
Ever want to be leaving you.  
You're the dearest girl I've known  
And there's nothing that I own  
That I wouldn't want to give to you.

But late last night after we kissed goodnight  
And I started home.  
I met a girl so sweet and caring  
And so very alone.  
And then I gazed into her eyes  
And knew how much she wanted me  
And her lips were just as soft as could be.

Goodnight my love  
Bless your heart and sleep tight my love  
Goodnight.

No tears that I could cry  
Would justify my hurting you  
And my words would sound so cheap  
If I said that I meant to keep  
All the promises I made to you.

I tried to tell her that I loved you  
But she just didn't care  
And in the dead of night she pulled the ribbon  
Out of her hair.  
And there was nothing in the world  
That could have made me let her go  
Girl I'm sorry but I just love her so.

Goodnight my love  
Goodnight my love  
Sleep tight my love  
Goodnight my love

It's so hard to say goodbye to you

The words they don't sound right  
So I'll say the only words I used to say  
When I held you so tight.  
Goodnight my love  
Goodnight my love  
Sleep tight my love  
Goodnight my love
