I'm trying to explain to our friends, dear
The reason we two are apart
I know what to tell our friends, dear
But what will I tell my heart

It's easy to say to strangers
That we played the game from the start
It's easy to lie to strangers
But what will I tell my heart

When I smile to hide all the tears inside
What an ache it will bring
Then I'll wander home to a telephone
That forgot how to ring, ring, ring

I tell them you'll soon be back, dear
To fool the whole town may be smart
I tell them you'll soon be back, dear
But what will I tell my heart

When I smile to hide all the tears inside
What an ache it will bring
Then I'll wander home to a telephone
That forgot how to ring, ring, ring

I could say you'll soon be back, dear
To fool the whole town may be smart
I tell them you'll soon be back, dear
But what will I tell my heart
