In the woods there grew a tree
A fine, fine tree was he

On that tree there was a limb
And on that limb there was a branch
On that branch there was a nest
And in that nest there was an egg
In that egg there was a bird
And from that bird a feather came
Of that feather was a bed

On that bed there was a girl
And on that girl there was a man
From that man there was a seed
And from that seed there was a boy
From that boy there was a man
And for that man there was a grave
From that grave there grew a tree

In Sumerisle, Sumerisle, Sumerisle, Sumerisle,
Sumerisle

On that tree there was a limb
And on that limb there was a branch
On that branch there was a nest
And in that nest there was an egg
In that egg there was a bird
And from that bird a feather came
Of that feather was a bed

In Sumerisle, Sumerisle, Sumerisle, Sumerisle,
Sumerisle

On that bed there was a girl (Sumerisle, Sumerisle)
And on that girl there was a man (Sumerisle,
Sumerisle)
From that man there was a seed (Sumerisle, Sumerisle)
And from that seed there was a boy (Sumerisle,
Sumerisle)
From that boy there was a man (Sumerisle, Sumerisle)
And for that man there was a grave
From that grave there grew a tree
