No emotion leaks out of me, I look out for one:
A real cowboy without a cause
I need nothing, but I'll take what I want when I'm ready
to
I'm that rich man robbing your bank

Hellbound and Heartless

Had a family, friends and future
Sold it all for the life I live
I scream, I could take on the world
I scream I, with any girl

They all wanna catch me, kill me
Bible thumpin' fools
I'm a serpent-like sunuvabitch

Hellbound and Heartless

Had a family, friends and future
Sold it all for the life I live
I scream, I could take on the world
I scream, I, with any girl

What kind of love are you dreaming of when you're
heartless?

Georgia peaches, southern belles
Dirty keys and the way they smell
And the heartless sing
Drink lotsa drinks, take lotsa drugs
Kiss lotsa women and fake lotsa love!

Had a family, friends and future
Sold it all for the life I live
I scream, I could take on the world
I scream, I, with any girl

What kind of love are you dreaming of when you're
heartless?

You talk about love

Well, let's talk about love
Well, What kind of love are you dreaming of
when you're heartless?
