Everybody's somebody's fool  
What used to be?

As you live, you learn  
Though it may burn  
Everybody's somebody's fool

You know you like  
Making fools out of others  
Pretending you're just giving them love  
But remember  
Sisters or brothers  
You've got to answer  
To the one up above

[CHORUS]  
It's beautiful  
To watch love begin  
But oh how sad  
When it ends  
As you go through life  
Remember this rule  
Everybody's somebody's fool

Mary Shelly  
Merci beaucoup  
I love you so, my darling  
And if by chance  
We should happen to part  
It would be, oh my God  
Like a thorn  
Through my aching heart

[Repeat CHORUS]
