Starry night bring me down  
Till I realize the moon  
It seems so distant yet  
I felt it pass right through

And I see what I see  
A new world is over me  
So I'll reach up to the sky  
And pretend that I'm a

Spaceman in another place and time  
I guess I'm lookin' for a brand new place  
Is there a better life for me?

Subtle wind blow me gone  
Let me rest upon your move  
I trust I'll end up sleeping  
Cradled in my doom

And I feel what I feel  
I can't grasp what is not real  
So I'll get myself real high  
And imagine I'm a

Spaceman, in another place and time  
I guess I'm lookin' for a brand new place  
Is there a better life for me?

And I remember in my mind  
They say I'm a daydreamin'  
Is it all that it seems  
Or am I all the things I'm looking for? Yeah

And I see what I see  
A new world is over me  
And I'll reach up to the sky  
And imagine I'm a

Spaceman in another place and time  
I guess I'm lookin' for a brand new place  
I remember living in a different life  
Is there a better life for me?
