My baby blue is a new star in the sky
My baby blue is a new star in the sky

The world, the world, the world, the world
Just for you, for nobody else
The world, the world, the world, the world
Just for you, for nobody else

The world, the world, the world, the world
Just for you.....

My baby blue is a new star in the sky
My baby blue is a new star in the sky
My baby blue is a new star in the sky
My baby blue is a new star in the sky.....
