See the stone set in your eyes  
See the thorn twist in your side  
I wait for you  
Slight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait....without you  
With or without you  
With or without you  
Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you  
With or without you  
With or without you  
I can't live with or without you  
And you give yourself away  
And you give yourself away  
And you give  
And you give  
And you give yourself away  
My hands are tied  
My body's bruised  
She's got me with nothing left to win  
And nothing left to lose  
With or without you  
With or without you  
I can't live with or without you
