Some people might win the lottery and other people
might witness an important event.
These occurrences are few and far between,
the light of the spectrum is bending now.
You've taken some of the best pictures I've ever seen.
Some people would strongly agree that they're not.
Well, fuck'em baby cause they'll never understand just
what we mean.
It's so much more than a digital headshot.

This is everybody's one last chance.
This is everyone, so someone better stop me somehow.
This is how I feel on true romance.
Someone better stop me, or I'll try to make this one the
last one.

It was the summer of 2005, it was the time that I was
waiting for all my life.
I was arrested, the limits were tested,
and I was oppressed by a guy who thinks he'll call you a
wife.
I'm kind of flattered by the way that he hates me,
and I'm now the one with the heart that is breaking.
Telling you over and over again,
I'm more than a friend, what a disaster!

This is everybody's one last chance.
This is everyone, so someone better stop me somehow.
This is how I feel on true romance.
Someone better stop me, or I'll try to make this one the
last one.

Someday, when the timing is right, I'll dress you in
white and give you the good life.
Oh baby, you must understand, you're a part of my
plan so wake up cause here I am.

This is everybody's one last chance.
This is everyone, so someone better stop me somehow.
This is how I feel on true romance.
Someone better stop me, or I'll try to make this one the
last one.
