[Yoshimi]

Rock music is the life for me
Clean towels dirty drinks and candy
I get allergic smellin' hay
Smokie clubs make me say hooray

[Kim] [Yoshimi]

The chores the tours
Fresh air huggy bear
The steer free beer
Green grass oh, access pass

The stage is where I wanna be
Throngs of people gazing up at me
Pop close not pop avenue

Darling, I love you but give a venue

[Kim] [Yoshimi]

The chores the tours
Fresh air huggy bear
The steer free beer
Green grass oh, access pass

You take the fun I'll handle the press
Spotlight is where I'm at my best
Clean linnen just leaves you wanting more
I want to hear them shout: "encore! encore!"
