Teenie Weenie Boppie:
Teenie Weenie Boppie
Un sucre et la voici au bord de la folie
One sugar and she's near the madness
One roll put her lying on the floor
There's a prince of rock living deep inside her
He gives her signals then she says okay

Teenie Weenie Boppie a pris du L.S.D.
Un sucre et la voici a terre ?vanouie
One large boy dressed in fine robes there
Gives to her his two pale hands
On one hippie's fingers there's a violet ring

But now the ring is red with her blood

Teenie Weenie Boppie a pris du L.S.D.
Un sucre et la voici d?j? a l'agonie
What are these beautiful colored flowers
That run along the river's edge
It's Mick Jagger floating down the Thames there
He is dead in his beautiful clothes

Teenie Weenie Boppie est morte dans la nuit
De quoi?Mais d'avoir pris une dose de L.S.D
