Good morning!  
I gotta take a stand  
Niggin' is who I be, niggin' is who I am

Good morning!  
I gotta take a stand  
Niggin' is who I be, and I hope that you understand

I be ridin' forever [x8]

Yeah!  
Childish Gambino  
Hot as Nevada, Reno  
Niggas, they say, "what he know? "  
Give me five like I'm Tito  
I never touched a kilo  
Opposite Al Pachino  
I keep a Lightsaber like I fuck around with Greedo  
It's time to be a grown-up  
Nigga get your ownuh  
See a nigga rollin'  
Riding on diplomas  
Damn this beat is so nuts  
Thank you, MC DJ  
Yeah, my mouth is nasty  
Like I gave a BJ  
I don't give a fizzuck  
If niggas are out of lizzuck  
This nigga is off the hizzook  
Like walking out a prison  
For me, I see a vision  
You're fucking with ambition  
Casino money like Navajo  
Their money says, "Geronimo"  
My money comes in lotto dough  
Be me on the other tit  
Call me Mr. Masturbate  
Tighter than your jerkin' grip  
You looser than some turkey neck  
Haters need to listen up  
My attitude's a prostitute who broke

Cause she don't give a fuck

Good morning!

I gotta take a stand

Niggin' is who I be, niggin' is who I am

Good morning!

I gotta take a stand

Niggin' is who I be, and I hope that you understand

I be ridin' forever [x8]

OK!

The game is afoot (What?)

The mystery's at hand (OK)

We like to pilfer podiums, in other words we take a stand (Ah, shit)

We make a plan, attack that jam like it was Afghanistan (Charge)

We like to ride our bikes, mother fuck a mystery van (Ruh-Roh)

Stop and listen be shopliftin' 'pocalyptic Stephen King [Maniacal laugh]

I take a stand, fuck the man

Now will you please pull dat string (Pull the string)

I need your case and a dime

But we also take Fruit Roll-Ups (whoop whoop)

Takin' a bite out of crime,

so all criminals better hold up (Freeze, dirt-bag)

I be ridin' forever

Like a vampire on a bus [Laugh]

Like a roller-coaster tester (Scream)

I be ridin' till I bust

I got my magnifying glass

My bike matches my cup

Watch my seekers eat pedal

You can dine on my dust

Whatever it is we can handle

But we really don't do murder

Fuck up suspects, gather clues

Then we break for a cheeseburger [chomp]

No shit Sherlock, mad like murdock

If there's a mystery goin' on

Be in it like Robin Williams shillin' Good Morning, Vietnam. (Nanu, nanu, nanu, nanu...)

Good morning!

I gotta take a stand

Niggin' is who I be, niggin' is who I am

Good morning!

I gotta take a stand  
Niggin' is who I be, and I hope that you understand

I be ridin' forever [x8]
